I love I love I love

I love Jah Jah

I love I love I love

Chorus:

I love Jah to my heart, heart and soul

I love Jah to my heart, yeash

I love Jah to my heart, heart and soul

I love Jah to my heart, yeash

Verse 1:

All them a kick up and a galong and a gwan

I'm still here praising the Lord

Just a teach them with a message in my song

Just to guide you all day long

I'm not crazy

I'm not greedy

I know what I'm standing for

It's not easy

I chant daily

Holding on to Jah love

Chorus

Verse 2:

Sometime it's like the world is falling down

On my shoulder

I know there is rivers to cross

So I've got to fight harder

I'm not crazy

I'm not greedy

I know what I'm standing for

It's not easy

I chant daily

Holding on to Jah love

Chorus

Even when me sit down a mi yard

I can see things Jah Jah made possible for me

Even when me drive out in a mi car

I remember all the days when we used to have fun
