[Havoc] Know Wha Saying...41st side  
[Havoc] Chorus 2x: We hate the law so we break it,  
loyal to this life there's no way to escape it,  
you either make it or you take it,  
if the game's in you, dedicated stay true  
Illegal Life  
[Noreaga] Yo, I was in Vermada, laid up with gold saga  
jungle room, cowboy hat around June  
Monaga, had the 45th draga, Capone-N-Noreaga  
the saga, sega, mega, network and bodega  
dream marvelous, scandelous, black mantis  
Illegal life is like my aerolight,  
we be your light, hustle night to life  
desert storm, and cold form on your norm  
run through, hard-boil you like John Woo  
the law we hate, drop a cake cut like mix tape  
spoil coke plate, you buying fake weight  
the next state, contemplate and score jake hesus  
conduce, claim bishop in juice, bloody up your goose  
now who screamed for truce, Lefrak is Iraq  
Illegal life contract, keep 'em back, load up the big  
macs  
[Havoc] Chorus 2x  
[Capone] We hate the law, escalated war with jake,  
raise the crime rate  
criminal minds regulate the tri-state,  
the legacy it never end, illegal life veteran salute  
get loot and stay true, corrupt jake make it happen  
snatch 'em catching O Z's, put the game on freeze  
dedicated hustling won't stop regardless  
whatever charges, getting the dough til you go,  
observation, direct sale, connects giving, reaching for  
ceiling

on the streets again, wild born, the enemy became  
your best friend  
meet the game closer, mapped out many ways to get  
rich  
[Havoc] Ay yo, for real crime pays  
[Capone] 9 6 the deal, we real about this cheddar,  
forever  
corner standing, in any weather, heat holding you  
down  
controlling your ground, stick-up kids come around  
and taste the pound, CNN, put our soul on the line  
for this life of crime, 2 5 forever shine  
[Tradegey Khadafi] 9 6 stay hungry, son collect roughly  
while the streets change, me and my man remain  
tough (ly)

[Havoc] Chorus 2x: We hate the law so we make(break)  
it  
loyal to this life there's no way to escape it  
you either make it or you take it,  
if the game's in you, dedicated stay true  
Illegal Life  
[Tradegey Khadafi] C A P O N E with me, pappy, Hav and  
Pee,  
Tradegey Khadafi, N O Y D, a man and me  
on some mobb shhh, spark up cigar shhh  
Cubans sit back jack, my niggas smoke dat  
generate, be the coke razor on a coke plate  
back up the crime son, and try to see a triple double  
and get my loot back on a time table,  
ay yo it's CNN, you soon to see us on cable  
at the round table, networked through the label  
[Havoc] Illegal life, illegal life, illegal life  
illegal life, illegal life, illegal life
