Why we have to war  
Why we have to war  
Why we have to war, yes

(Chorus)

Why do we really have to war  
When we know love conquers all  
And without it we would fall  
Why do we really have to war  
Don't you know that love is life  
Let's get rid of all this strife

(Verse 1)

I'm seeing my like more clearly  
Behind that cloudy wall  
Give thanks to Jah who spared me  
And guide me from the fall  
I'm tired to see my brethren  
Ending up in war  
Sometime I feel like I'm in Vietnam, Russia or Bosnia

(Repeat Chorus)

(Verse 2)

I'm talking to you false leaders  
'Cause you're the cause  
You should set an example  
Instead of putting us on pause  
You build ballistic missiles  
You even made them in different size  
Firing from miles  
You kill the smallest child

(Repeat Chorus)

Why do we have to war  
Why do we have to war  
Why do we have to war  
Why do we have to war, oh tell me

(Repeat Verse 1)

(Repeat Chorus 2x)

Why do we have to war  
Why do we have to war, tell me
