Baby when we fell in love
I packed my El Camino up
Never looked back
A tank of gas, twenty bucks
Left behind a cloud of dust
And all we had
Gave up everything
I'd do it all again
Don't you know that's just the kind of man I am

Hey what's not to love about
A man who'd live and die
Swears and sacrifice for you
Hey what's not to love about
Time after time
Layin' it on the line for you
What's not to love about
What's not to love about that

You looked at me the other night
Disappointment in your eyes
Said I'm not sure
It knocked me back to say the least
When you said you don't need me
Anymore
I don't understand
I've done all I can
To be the kind of man you always wanted

Hey what's not to love about
A man who'd live and die
Swears and sacrificed for you
Hey what's not to love about
Time after time
Layin' it on the line for you
What's not to love about
What's not to love about that

Isn't love about give and take
Isn't that what they say
But baby can you meet me halfway

Hey what's not to love about
A man who'd live and die
Swear'd and sacrifice for you
Hey what's not to love about
Time after time
Layin' it on the line
What's not to love about
What's not to love about that
