Electried we burn all night
Paralyzed by black and whites
But who are you
And who am I
Electried we burn all night

I want you to fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
"I don't deserve you"
To fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
"I don't deserve you"
Fall apart

Terrified by waking eyes
The empty space you left behind
But who are you
And who am I
Terrified by waking eyes

I want you to fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
"I don't deserve you"
To fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
"I don't deserve you"
Fall apart

(Guitar Solo)

Electried we burn all night

I want you to fall apart like I did
You to hurt for all of this

All the pain you put me through
I wanna hear you say
"I don't deserve you"
To fall apart like I did
You to hurt for all of this
All the pain you put me through
I wanna hear you say
"I don't deserve you"
