Gonna sink this ship tonight  
Gonna see if hope really floats  
I got a feeling that it doesn't  
The water's reaching for your thighs  
The way you panic, well, it's turning me on

You make it hard to swim away  
You look so good, we're freaking out

Come on and take me on a sinking ship  
What's death without a smile  
I still want you on the bottom of the ocean  
Watch me bury the ground after you get yours  
You're only out for one thing

I made peace with where I stand  
I'm the cut underneath your heels  
But as you gotta be  
Do you believe in miracles?  
'Cause tonight we resurrect the dead

You make it hard to swim away  
You look so good, we're freaking out

Come on and take me on a sinking ship  
What's death without a smile  
I still want you on the bottom of the ocean  
Watch me bury the ground after you get yours  
You're only out for one thing

And tonight, I rock amongst all that you did  
Make me a mess, make me a mess  
We'll dig on the bottom of the ocean  
We'll dance, we'll dance, we'll dance

Come on and take me on a sinking ship  
What's death without a smile  
I still want you on the bottom of the ocean  
Watch me bury the ground after you get yours  
You're only out for one thing

Come on and take me on a sinking ship

What's death without a smile  
I still want you on the bottom of the ocean  
Watch me bury the ground after you get yours  
You're only out for one thing
