[chorus]

love are the one  
who make u believe  
don try to hard they say  
makes me wanna do  
u know u can't kiss  
cos there's nothin to hold on to  
juz make it away  
loves always there

into the whole body  
feel the light  
then make it slower  
for the one to ignight

barely got to know  
wat do u think  
but barely there is nothin  
to make u go spring

[chorus]

yeah , yeah  
don make me go

oho oho  
hear the call

of love indeed  
wherever  
it states.....

[chorus]
