(Got a ticket to a one-way train wreck
We fell off track before we left the station)

Got a ticket to a one-way train wreck
We fell off track before we left the station
And when the flames come pouring out,
You will find us
And we will be standing all around,
Picking up the pieces

This is just broken love
Two hearts that can't get enough
So when you have too much,
You gotta, gotta give it up

This is just broken love
Two hearts that can't get enough
So when you have too much,
You gotta, gotta give it up

We're a car crash, an accident with broken glass
We're a plane wreck, a parachute that won't eject
So let's leave this mess behind just to save us
We could strike this fire down
And leave the spots between us

This is just broken love
Two hearts that can't get enough

So when you have too much,
You gotta, gotta give it up

This is just broken love
Two hearts that can't get enough
So when you have too much,
You gotta, gotta give it up

Got a ticket to a one-way train wreck
We fell off track before we left the station
And when the flames kept pouring out,
You didn't find us
We were sitting all around, picking up the pieces

The pieces, the pieces

This is just broken love
Two hearts that can't get enough
So when you've had too much,
You gotta, gotta give it up

This is just broken love
Two hearts that can't get enough
So when you have too much,
You gotta, gotta give it up

This is just broken love
Two hearts that can't get enough
So when you have too much,
You gotta, gotta give it up
