You expect, you presume  
I expose you the truth  
Can't you see that it's not what it seems?  
I keep my secret safe with me  
In a box beside the sea  
Faces pale, faces strange  
Pages erased

Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed  
Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed  
Get caught red-handed

In a crowd, unafraid  
Curious to the daze  
Steady hand, color stain  
Walk away

Darling, let the monsters breathe  
And don't worry what you'll see  
Faces cold, faces dark  
We all fall apart

Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed  
Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed  
Get caught red-handed

(Oh Whoa...)

You expect, you presume  
I expose you the truth  
Can't you see that it's not what it seems?  
I keep my secret safe with me  
In a box beside the sea  
Faces pale, faces strange  
Pages erased

Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed

Whoa, in the shadows I have stood  
Whoa, until I get caught red-handed  
Get caught red-handed

In the shadows I have stood  
Yeah, yeah  
Until I get caught red-handed  
Get caught red-handed
