We're too young to figure out how,  
Forget to breathe once in a while  
Fade out, no sound  
The white lines are slower now  
Face up, run back

Chase it down, spin around  
Watch the world from the ground  
The crush and burn leaves us dry,  
Picks us up, back to life  
Oh oh, oh oh, oh oh,  
Watch the world  
Oh oh, oh oh, oh oh,  
Watch the world

In the darkness it all comes out  
In the moment it all makes sense  
Fade out, no sound  
The white lines are faster now  
Face up, run back

Chase it down, spin around  
Watch the world from the ground  
The crush and burn leaves us dry,  
Picks us up, back to life  
Oh oh, oh oh, oh oh,  
Watch the world  
Oh oh, oh oh, oh oh,  
Watch the world

Oh oh, oh oh, oh oh, ooh, oh, ooh

Chase it down, spin around  
Watch the world from the ground  
The crush and burn leaves us dry,  
Picks us up back to life

Chase it down, spin around  
Watch the world from the ground  
The crush and burn leaves us dry,  
Picks us up, back to life

Oh oh, oh oh, oh oh,  
Watch the world  
Oh oh, oh oh, oh oh,  
Watch the world  
Yeah, yeah  
Yeah, yeah

Chase it down (oh oh)  
Spin around (oh oh)  
Watch the world (oh oh)  
Watch the world  
The crush and burn (oh oh)  
Leaves us dry (oh oh)  
Picks us up (oh oh)  
Watch the world

Oh oh, oh oh, oh oh,  
Watch the world (oh, oh, oh)  
Yeah, yeah  
Yeah, yeah
