Chiisana karada de ookina ki nobotte ita
Sora ni chikazukeba aeru yo na ki ga shitan da

Kono yo ni umareru zutto mukashi kara
Mamotte kureta ne dare yori

Ikusen no toki wo koe anata no me ni utsutta
Kono chikai hitotsu hitotsu tachi wo
Amari ni mo usujou de kanashii kono sekai ni
Hitosuji no hikari wo kudasai

Kiete shimaisou na yoru ni wa ima demo mata
Kazu sukunai hoshi miagete wa uchiakeru yo

Anata ga kotoba wo hanaseru no naraba
Nanika wo oshiete kureru no?

Moshi kiseki okoru nara kono omoi todoku no nara
Itsu datte bokutachi wa utau yo
Hagayuku mo hai to nari chiriyuku kono sekai ni
Eien no shifuku wo furasete...

Ikusen no toki wo koe anata no me ni utsutta
Kono chikai hitotsu hitotsu tachi wo
Amari ni mo usujou de kanashii kono sekai ni
Hitosuji no hikari wo kudasai
