Whoa whoa whoa whoa
Whoa whoa whoa whoa

Whoa whoa whoa whoa
Whoa whoa whoa whoa

You say you're lonely, well I know I'm lonely too
Left me crying and I didn't know what I should do

Love can make you blind
Love can make you blind

I hear you talking, well I know he's on your mind
'Cause you've been cheating and I couldn't read
between the lines

Love can make you blind
(I can see that) Love can make you blind (well oh yeah)

You're all I wanted, you're all I ever needed
I wanted you here right next to me
But you broke my heart and you made it bleed
But I was blind... to blind to see

Whoa whoa whoa whoa
Whoa whoa whoa whoa

You say you're lonely, well I know I'm lonely too
Left me crying and I didn't know what I should do

Love can make you blind
(I can see that) Love can make you blind (well oh yeah)

(I can see that) Love can make you blind (well oh yeah)
Love can make you blind
