Are you sleeping  
Brother John  
If you feel the weeping  
Brother John  
Please won't you hear me  
Brother John  
Just wait and see  
Brother John

Can't you see by the will of your hand  
You can give it a try and just name your price  
And everybody in this rock & roll band  
Don't wanna preach don't wanna give advice  
But the music's playing and all we're saying  
Is come along and jam  
And it's hard to be believed what can be achieved  
With an outstretched hand

Are you sleeping  
Brother John  
If you feel the weeping  
Brother John  
Please won't you hear me  
Brother John  
Just wait and see  
Brother John

The things that hurt just won't go away  
But neither will we  
Doesn't really matter either way cause you're all you  
need  
To set yourself free

It may sound hard but it's just a start  
To ride that wind  
And you ain't Peter Pan you're just a man  
You'll get there again

Are you sleeping  
Brother John  
If you feel the weeping  
Brother John

Please won't you hear me  
Brother John  
Just wait and see  
Brother John

Are you sleeping  
Brother John  
If you feel the weeping  
Brother John  
Please won't you hear me  
Brother John  
Just wait and see  
Brother John

Just wait and see  
Just wait and see  
Just wait and see  
Just wait and see

Won't you rise and shine  
Won't you rise and shine  
Won't you rise and shine  
Won't you rise and shine  
Won't you rise and shine  
Won't you rise and shine  
Won't you rise and shine

Won't you just wait and see
