I really have to clean up my room  
You know its been so long since I've seen my floor  
It's getting kind of scary in fact I suspect  
That when I finally clear away I won't know her anymore  
How we'll have grown so far apart  
From those early days with the fresh new start  
So in the end it won't matter at all  
So why should I bother with the rise and the fall  
So I quietly lay back down  
And watch TV

But these are the things we tell ourselves  
Eventual stories designed to amuse  
It's a game we play and we play it well  
In fact we're so damn good that we try to lose  
So we can keep hiding  
So we can survive  
And keep on believing  
Someday we'll go outside & drive  
Gonna go outside & drive...

I have resolved not to leave my house  
Till my floor comes back and my room is clean  
So I'm really kind of glad that my TV's here  
While I concoct my plan to fulfill my dream  
Now won't that be wonderful when I'll finally be done  
I just can't wait for it then I'll start to have fun  
It's getting hard lately to concentrate  
All my appointments cancelled cause I'm horribly late  
You know I think I need a prison  
In order to dream of being free

But these are the things we tell ourselves  
Eventual stories designed to amuse  
It's a game we play and we play it well  
In fact we're so damn good that we try to lose  
So we can keep hiding  
So we can survive  
And keep on believing  
Someday we'll go outside & drive
