Original performer: rolling stones

I've been hanging out too long  
Waiting by the phone  
Lord I miss you  
I've been lying to myself  
Sleeping all alone  
Wanna kiss you

I've been haunted in my dreams  
And then the phone rings  
And it isn't you  
It's just a friend of mine saying "hey, what's the matter,  
man, I've got some puerto rican girls just dying to meet  
you"  
Gonna bring a case of wine  
Have a good old time  
Just like we used to

Oh, everybody waits so long  
Oh, you wanna wait so long  
Come on  
Come on

Oh, everybody waits so long  
Oh, you wanna wait so long  
Come on  
Come on
