There's a man who leads a life of danger
To everyone he meets, he stays a stranger
Well every move he makes, another chance he takes
Odds are he won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number
And taken away your name

Beware of pretty faces that you find
A pretty face can hide an evil mind
Oh, be careful what you say or you will give yourself
away
Odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number
And taken away your name

Secret agent man, secret agent man
They've given you a number
And taken away your name

Swingin' on the Riviera one day
Then layin' in the bomb bay on the next day
Oh, you let the robber slip, while kissing persuasive lips
The odds are you won't live to see tomorrow

Secret agent man, secret agent man
They've given you a number
And taken away your name
Secret agent man
