The world is coming to an end it's gonna fall into
the sea
The ice caps are all melting but you're still mad at
me
And all your reservations will be washed upon the sand
But you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man
Life in the Big Easy will probably never be that way
Sweet Lucinda Williams takes the glory over the fame
But you and I we're dreamers they're going to
catch us in the end
But you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man
If you don't love me
You don't have to explain.
If you don't want me
We'll just play this little game
With everything that's going wrong
Each day could be our last
You don't have to love me
You don't have to love me
But tonight I'll be your man
But you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man
Yeah you don't have to love me
Tonight I'll be your man
Yeah you don't have to love me
Cause tonight I'll be your man
