I used to love her
But I had to kill her
I used to love her, Mm, yeah
But I had to kill her
I had to put her six feet under
And I can still hear her complain
I used to love her, Oo, yeah
But I had to kill her
I used to love her, Oo, yeah
But I had to kill her
I knew I'd miss her
So I had to keep her
She's buried right in my backyard
Oh yeah, Oo yeah, whoa, oh yeah
I used to love her
But I had to kill her
I used to love her, Mm, yeah
But I had to kill her
She bitched so much, She drove me nuts
And now I'm happier this way, yeah
Whoa, oh yeah
I used to love her
But I had to kill her
I used to love her, Mm, yeah
But I had to kill her
I had to put her, Oo, six feet under
And I can still hear her complain
