The ship is sinking down  
As the water surrounds me  
I'm wondering just how I'll make it out  
But I'm not the only one  
Who's been right here  
Holding onto all this fear  
We all have our doubts

So everybody sing it

Whoa  
I'm gonna let it all go  
'Cause I know that You'll be  
Everything I need  
Whoa  
It's finally easy to breathe  
When You're breathing for me

On my way and knowing what I'm doing  
I've come to regret the way I've been  
And it makes me so ashamed  
But You've been right here  
Holding on for all these years  
And You'd do it again

So everybody's singing

Whoa  
I'm gonna let it all go  
'Cause I know that You'll be  
Everything I need  
Whoa  
It's finally easy to breathe  
When You're breathing for me

You're breathing for me  
You're breathing for me

Whoa  
I'm gonna let it all go  
'Cause I know that You'll be  
Everything I need

Whoa  
It's finally easy to breathe  
When You're breathing for me

Everbody's singing

Whoa  
I'm gonna let it all go  
'Cause I know that You'll be  
Everything I need

Whoa  
It's finally easy to breathe  
When You're breathing for me

It's easy to breathe  
When you're breathing for me
