

## Everyday Sunday "Comfort Zone"

Visit "[Comfort Zone](#)" on MotoLyrics.com

I'm sitting here again  
Another Sunday morning  
Trying to figure out just who to be  
I can't keep going on like this  
I've gotta break away

Woah, woah, everything I've said is over  
Woah, woah, I can't take this any longer  
Woah, woah, I need to get out of this zone  
Woah, woah, I hope you see where I'm coming from

It's time to make a move change my fate  
Let go of all the things that feed my complacency  
Don't wanna be a wannabe

Woah, woah, everything I've said is over  
Woah, woah, I can't take this any longer  
Woah, woah, I need to get out of this zone  
Woah, woah, I hope you see where I'm coming from

No more wasted days, anymore

Woah, woah, everything I've said is over  
Woah, woah, I can't take this any longer  
Woah, woah, I need to get out of this zone  
Woah, woah, I hope you see where I'm coming from
