Boom, you smacked me  
Like the crack of a plastic bat  
From a simple, silly game we used to play  
It's alright and it's ok  
It's the cool things you like to say  
On a summer Sunday afternoon  
You're moving slowly into night  
And when you look the way you do  
You're coolin' coolin' in the night  
And I'd like to sing

Ladybug Ladybug Ladybug you're glowin'  
Ladybug Ladybug Ladybug I'm knowin' you  
Ladybug Ladybug Ladybug you're easy  
Ladybug Ladybug Ladybug I'm easy too

It's alright and it's ok  
Let's begin again the good way  
The good way the warm and fuzzy way  
We're coolin' coolin' in the night  
And I'd like to sing

Ladybug Ladybug Ladybug you're glowin'  
Ladybug Ladybug Ladybug I'm knowin' you  
Ladybug Ladybug Ladybug you're easy  
Ladybug Ladybug Ladybug I'm easy too

Ladybug Ladybug Ladybug you're glowin'  
Ladybug Ladybug Ladybug I'm knowin' you  
Ladybug Ladybug Ladybug you're easy  
Ladybug Ladybug Ladybug I'm easy too
