Yeah, yeah, yeah

Oh, lover boy to you I belong
But maybe one day you'll wake
And you'll find me gone

But lover boy if you call me home
I'll come driving, I'll come driving
Fast as wheels can turn

Oh, lover boy I know you too well
And all of my lonely secrets
To you I tell

The highest of highs, the lowest of lows
I'll come driving, I'll come driving
Fast as wheels can turn
Fast as wheels can turn

Stretching away as far as my eyes can see
Deserts and darkness, my hand on the wheel
Lover boy, please call me home
A girl can get lonely out here on the road

A girl can get lonely out here on the road

You see some days I find the old ways
Frighten me too easily, I leave my key and say
I'm too young

But lover boy if you call me home
Lover boy if you call me home
Lover boy if you call me home
I'll come driving, I'll come driving
Fast as wheels can turn

Fast as wheels can turn
Fast as wheels can turn
Fast as wheels can
Fast as wheels
I'll come driving

Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving

Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving

Driving, I'll come driving
Driving, I'll come driving
Driving, I'll come driving
Driving

Fast as wheels can turn
Fast as wheels can turn
Fast as wheels can turn
