You are all I need, you are all I need
Oh no no here I am, oh no no coz here I am
You are all I need, you are all I need
Oh no no here I am, oh no no coz here I am

You're about the only thing I need
But then again I don't really want
Loneliness goes out for company
Company soon leads me into love

Suppose I guess I have another drink
Must we string along for a while?
I can see it dragging on for years
I can't see your remedy right now
I can't see your remedy right ..

You are all I need, you are all I need
Oh no no here I am, oh no no coz here I am

Why must we reach out and always see the grass?
Why is mind is all so seldom filled?
Curiosity killed the cat
Feel its daggers reaching out for me
Feel its daggers reaching out for ..

You are all I need, you are all I need
Oh no no here I am, oh no no here I am
You are all I need, you are all I need
Oh no no here I am, oh no no here I am
