How much of yourself
Do you give away
After someone's left your life
In disarray

It still hurts
But it won't show
Because I'm too proud
So you're never ever gonna know me

I saw you standing at the bar
Don't know your name or who you are
It's packed at 2 a.m
I've got no coat

Are you on your own
I'm into you
When are you going home?
Get into me

How much of the day
Can you sit around
Letting all your feelings
Drag you underground?

I don't care
And I do care
Because I want it
If I know that it's out there everywhere

I saw you standing at the bar
Don't know your name or who you are
It's packed at 2 a.m
I've got no coat

Are you on your own?
I'm into you
When are you going home?
Get into me

I'm into you
You get into me

I'm into you
You get into me

I saw you standing at the bar
Don't know your name or who you are
It's packed at 2 a.m
I've got no coat

Are you on your own?
I'm into you
When are you going home?
Get into me

Are you on your own?
I'm into you
When are you going home?
Get into me

I'm into you
I'm into you
I'm into you
