Meet me in the mornin'  
I'll have the motor runnin'  
Down frosty lanes, under glass blue sky  
This is livin', this is livin'

I haven't come to be a stranger  
I haven't come to break your home  
I haven't come to harm your children  
I've come to be your love

Don't let the grass grow under your feet  
The sands of time keep runnin'  
For now at last I'm down on the street  
With the engine runnin'

Meet me in the evenin'  
I'll have the log fire burnin'  
Down icy lanes, under darkening sky  
This is livin', this is livin'

I haven't come to be a stranger  
I haven't come to break your home  
I haven't come to harm your children  
I've come to be your love

Don't let the grass grow under your feet  
The sands of time keep runnin'  
For now at last I'm down on the street  
With the engine runnin'

Come to be your love

I haven't come to be a stranger  
I haven't come to break your home  
I haven't come to harm your children  
I've come to be your love

Don't let the grass grow under your feet  
The sands of time keep runnin'  
For now at last I'm down on the street  
With the engine runnin'

Don't let the grass grow under your feet  
The sands of times keep runnin'  
For now at last I'm down on the street  
With the engine runnin'
