Every day brings change
And the world puts on a new face
Certain things rearrange
And this whole world seems like a new place

Secretly I've been tailing you
Like a fox that prays on a rabbit
I had to get you and so I knew
I'd have to learn your ways and habits
Oh, you the catch that I was after
But I looked up and I was in your arms
And I knew that I was captured

What's this whole world coming to?
Things just aren't the same
Anytime the hunter gets captured by the game

I had laid such a tender trap
Hoping you might fall into it
But love hit me with a sudden slap
A warm kiss and then I knew
Oh, my plans didn't work out
Like I thought
Cause I had laid my trap for you

But it seems that I got caught

What's this whole world coming to?
Things just aren't the same
Anytime the hunter gets captured by the game

I had laid such a tender trap
Hoping you might fall into it
But love hit me with a sudden slap
A warm kiss and then I knew
Oh, my plans didn't work out
Like I thought
Cause I had laid my trap for you
But it seems that I got caught

What's this whole world coming to?
Things just aren't the same

Anytime the hunter gets captured by the game
