There you go
You twist me around
You control my every thought
Here you go and you push me down
I know you like to watch me crawl
No air heading my direction
I need help
I need some protection
Can't seem to breathe without obstruction
I need air
I need to breathe
See me
Feel me
Watch me turn blue
See me
Feel me
Watch me turn blue
Blue

I know I look good in blue
That's no excuse for what you do
So you come and you suck my air
You suffocate me and call it care
No fair
Can't resist seduction
No man
Part of such destruction
My air is feed into your suction
I need air
I need air
See me
Feel me
Watch me turn blue
See me
Feel me
Watch me turn blue
