I scream all day
To try and keep the people far away
Wanna be as snug, oh as a bug lying on a rug
I spy a way
To another galaxy in place
Looking for a little bit of fun to get off again

1:
Let me be free of all my worries
Set me free, let me on my way

Please let me be free
Mixed up and nuts
I'm going crazy, going insane
Looking for a break so I can take a moment to wind
down

I scream all day
To try and keep the people far away
Wanna be as snug, oh as a dog lying in the sun

Repeat 1 X2
