I mean to say, I mean to say  
Can I ever, ever be left alone in my days?  
Sorry to say, sorry to be  
Can I ever, ever control what's inside of me?  
1:  
I would, I would be with you  
I would, I would be with you  
I would, I would be with you  
Oh yeah, see me through this  
It's only anger, it's only me  
I guess I never, never did change what left of my ways  
Oh, same old phrase, same old phase  
Repeat 1  
It's only anger, oh, oh it's only me  
I would, I would be with you  
I would, I would  
I would, I would be with you  
I would, I would be with you  
Oh yeah, see me through this  
It's only anger, oh yeah, it's only me  
Oh, oh it's only anger, oh, it's only me
