Sometimes when I'm bored, I want to talk to you
Your eyes are open, but they look straight through
I whisper in your ear, but you never hear
You just stare at the wall and you disappear
Oh yeah, I wanted it all
Oh yeah, but now I've grown tall
It must have been somebody else
Wishing the day away
Sometimes when I'm sad, I want to fold in two
I know I waste time, I got nothing to do
I tell myself it's okay to dream
If you stare long enough, things are not what they
seem
Oh yeah, I've got a plan
Oh yeah, I got a plan
It must have been somebody else
Passing the day away
I guess I am looking for a way to get out of here
I'm looking, I'm hoping, I'll disappear
I'm looking for a way to get out here
Wait, stop, the day's almost gone
And I am too
Oh yeah, I wanted it all
Oh yeah, but now I've grown tall
I've got a plan, oh, oh, you know that I've got a plan
It must have been somebody else
Wishing the day away
