Time to face what's going on  
Time to face the hurting truth  
It's so easy to close your eyes  
It's so easy to lie to you

Don't you see, the times they changed  
Think again

Live your dreams again  
Time to Criticize The Truth  
Keep from what might have been  
Time to Criticize The Truth

Hard to tell the wrong from right  
Not to fall for the other side

Life can cheat you so many times  
But you gotta stay strong, strong inside  
Don't you see, what might have changed  
Don't be afraid

Live your dreams again  
Time to Criticize The Truth  
Keep from what might have been  
Time to Criticize The Truth  
Live your dreams again  
Time to Criticize The Truth  
Keep from what might have been  
Time to Criticize The Truth  
Live your dreams again  
Time to Criticize The Truth  
Keep from what might have been  
Time to Criticize The Truth  
Start a new dream Start a new dream
