I'm feeling kinda blue, I don't know what to do  
But then I saw her at the railway station  
Blue jeans, black monkey boots,  
Blond hair, a smile so cute  
Such a pretty bird, a sweet sensation

I thought let's say: 'Hello there'  
'Would you like to be my date?'  
As I walked down the platform  
The train pulled out, it was too late

I'm feeling kinda sad, I missed the chance I had  
When I saw her at the railway station  
Blue jeans, black monkey boots,  
Blond hair, a smile so cute  
Such a pretty bird, a sweet sensation

I thought let's say 'Hello there'  
'Would you like to be my date?'  
As I walked down the platform  
The train pulled out, it was too late

[Chorus:]  
She's my Skinhead girl - Can't believe my eyes, I must  
be dreaming  
Skinhead girl - Oh, I'd like to take you out this evening  
Skinhead girl, - Stole my heart and gave me lovin'  
feeling  
Skinhead girl, Skinhead girl - My Skinhead girl,  
Skinhead

Well now I'm feeling fine  
I know that she is mine  
Since I kissed her at the railway station  
Blue jeans, black monkey boots,  
Blond hair, a smile so cute  
Such a pretty bird, a sweet sensation

She thought let's say:  
'Hello, I missed my train cause I was late'  
As we walked down the platform

She asked if she could be my date

[Chorus]
