Do you believe all the
Things they say about
Freedom in that society
Don't let them fool you take it
You better look and you see
Modern slavery

One day will come [3x]
And you will be
Forever free

Your a victim also society
And it seems there's nothing you can do
You got the right and a
The right choose
But you loose, no matter what you do

One day will come [3x]
And you will be
Forever free

Can't you bless and gave
Could be worst
That's all forever hear I'm say
The smile and fact we live in
In liberty
I'm a prisoner until the day I die
Do you believe all the
Things they say about
Freedom in that society
Don't let them fool you take it
You better look and you see
Modern slavery

One day will come [3x]
And you will be
Forever free
One day will come [3x]
And you will be
Forever free
