If it's love that you want
Baby you've got it
From the depth of my soul
Baby you've got it

But I've been watching you
And I don't think that you're game
There's no need to explain

Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me be part of you
Anyway that I know

There are dreams in your heart
Where love lasts forever
From the depth of my soul
I'll make them come true

But I've been watching you
And I don't think that your're game
There's no need to explain

Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me be part of you
Anyway that I know

Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me be part of you
Anyway that I know

Anyway that you want me
Anyway that you'll take me
Anyway that you'll make me be part of you
Anyway that I know...
