Evil Child
"Every Days A Bad Day 'cause Of You"

I woke up today not knowing,
It would be a bad day
But with my luck it ended up to be bad
My guy dumped me,
I failed my final test
My head hurts now
Because of all this stress
I don't like being here
I feel like getting away
I'm gonna give up now
Cuz every day is a bad day
It's a bad day

Todays a bad day
I can't stand being here anymore
I hate all this it's like my heads
Going through a seven-year war
It's a bad day
Todays a bad day
Everyday is a bad day got nothing to say
Got nothing to do
Cuz ever days a bad day with you
Today I was walking and I tripped and fell
I should have asked to be thrown in a cell
My best friend called me dumb,
She now hates me
Today really sucked
Couldn't you see?
