Americans pay your taxes
No we won't pay your taxes
We'll go on welfare
You know that we don't care
If you live or die
As long as we're still alive
We'll have our families cross the border
Imagrants come in order
We'll have a house bigger than you'll ever see
It's time for my check, aliens come cross the sea

Imagrants
Come in order
Time to cross over the border
Imagrants come in order
Families cross the border

You feed me
You clothe me
You make me
So happy

My family they can see,
How stupid americans can be
