To soOome1...
I wanted you around
But i got stuck in the lost n' found
I wanted you to be with me
So everyone could see
That we could actually be

But i guess you didn't feel the same
To you love was just a game
You should've let me know
Instead of making a show
Of the way i felt
The way you made me melt
But i hate you now
It's how it's down

'cause i'm in the lost n' found
I wanted you around
(in the lost n' found)
I hate when your around
(in the lost n' found)
N' that's where i'm gonna stay!!!

I HATE THE WAY YOU ARE!
I HATE THE WAY YOU WERE!
I HATE THE FACT THAT I,
LOVED YOU ONCE BEFORE!
I HATE YOU

You put me in the lost n' found
I never wanna see you 'round
I hate you!!! (3x's)

I hate the lost n' found.....

I wish that we didn't be
'cause i loved you
But you didn't love me
I hate the lost n' found
I thought we were meant to be
But you saw things so differently
I hate that your around

I want you out of town

I hate the lost n' found.....
