Riots in Bradford, Oldham and Leeds
The SPG is out on the streets
It's spreading fast across the land
These acts of violence are getting out of hand

[Chorus 3x:]
Intolerance

Fingers are pointed, who is to blame
Left wing or right wing, to me they're all the same
What is the cause?, it's plain to see
And the solution, I say, is unity

[Chorus 3x]
