Oh Jimmy... [4x]

Getting sick and tired of all the things they say
Those silly rules, they tell him to obey
His fuckin' teachers, his parents and the law
He's had enough of it, won't take it anymore

His mum, she doesn't get it
His father is confused
He has to fight his battle
He knows he's gonna lose

[Chorus 1:]

Oh Jimmy, at the age of seventeen
Oh Jimmy, just like Jimmy Dean
Oh Jimmy, rebel with a cause
Oh Jimmy, fighting all those fuckin' laws

Wants to fight the system, any way he can
He speaks his mind, but no-one understands
They call him public enemy number one
Accused of crimes he never ever done

His mum, she doesn't get it
His father is confused
He has to fight his battle
He knows he's gonna lose

[Chorus 2:]

Oh Jimmy, convicted for a crime
Oh Jimmy, you have to do some time
Oh Jimmy, you didn't stand a chance
Oh Jimmy, denied the right to prove your innocence

Getting sick and tired of all the things they say
Those silly rules, they tell him to obey
His fuckin' teachers, his parents and the law
He's had enough of it, won't take it anymore

His mum, she doesn't get it
His father is confused
He has to fight his battle

He knows he's gonna lose

[Chorus 1]

[Chorus 2]
