

Evil Conduct "Nowhere To Go"

Visit "[Nowhere To Go](#)" on MotoLyrics.com

Chased by the law, every day and night
Got nowhere to go, got nowhere to hide
Say that I'm evil, say that I'm bad
Steal the freedom that I have never had

[Chorus 2x:]
Got nowhere to go to
Got nowhere to go

This is my country, the place I call home
So many people, still I'm alone
Got nothing in common, nothing to share
A paranoid nation, kids in despair

[Chorus 2x]

Feel like a prisoner, no freedom for me
Ain't got no money to buy liberty
I have to live the way that I do
Where can I go, I ain't got a clue

[Chorus 4x]

I've got nowhere...
You've got nowhere...
We've got nowhere to go
