enraptured arachnid spiderweb windshield head glass
shattered on the asphalt
steel and skin and paint you red. enraptured arachnid
spiderweb windshield
head blood splattered on the dashboard maybe you
should have droven instead.
impossible sex car crash caress impossible sex car
crash auto bondage

apocalypse. burning rubber fall down on me climb on
me at illegal speed
crush me to the floor i will drive for evermore open like
lotus nothing will
ever slow us down hitting the pavement only makes us
permanent
