I need a woman
I want a woman
She must be cool
She must be dark and wild

She must be unhealthy
She must be immoral
She must be illegal
So we get much fun

Jump in my car girl
Jump in my life babe
I am illegal
I am dark and wild

Don't be so frozen
Don't think too much on
Just keep an eye
Upon my big black car

I want a leather girl
I need a leather girl
I dream a leather girl

LovingÂ... rock 'n roll

I need a woman
I want a woman
She must be cool
She must be dark and wild

She must be unhealthy
She must be immoral
She must be illegal
Â...we get much fun

I want a leather girl
I need a leather girl
I dream a leather girl
LovingÂ... rock 'n roll

I want a leather girl

I need a leather girl
I dream a leather girl
LovingÂ... rock 'n roll
