In the dark side of your mind  
I live in and dominate

I torment you burning in flames  
Leading you to the unholy sin  
Feel the pleasant smell of death  
Claming for you

Confounding your thinkings  
The insanity reach the top  
Realizing the impure desires  
Renouncing the everything that's holy  
That can't make sense anymore

With the dark mantle I wrapped up you  
I bring the darkness to your sight  
Transforming the reality  
Making it unreal  
Little by little I dominate and destroy you

The dark face of Evil  
Enchant you and scare you  
Pounding you in a labyrinth  
Without return  
Blasphemy, lust and pleasure  
Satisfying your dark desires

Evil eyes hover over you  
Watching and leading your desires  
Your desires are my wills  
I follow my steps inside the darkness  
Damning, Damning, Damning

With the dark mantle I wrapped up you  
I bring the darkness to your sight  
Mixing the real and the unreal  
Dominating you, destroying you

The smell and the taste of blood  
Dominating your feelings  
Giving you uncontrollable pleasure

Follow your instinct  
Come on me

Yeahhhhh !!!!!!!
