In her dark vestments  
By shadows follow the way  
Searching for satisfy the impure desire  
Her desire can bring the comfort

Insatiable souls hunter  
To her victims doesn't reserve choice  
Her blade brings the truth  
Or deliver the torment

Search the shadows way  
Be unaware of the way of life  
The death will show the only way

The dark rube will be her refuge  
During the long way  
To the abyss of death  
Where the weaks fall out of mind

Just that who know the truth  
Will have your reign  
Your choice was made  
The time is over  
There is no return

Queen of shadows  
Make your mission  
Get your unholy desire  
Life's impalator  
Queen of death  
Insatiable souls hunter  
(Repeat Chorus)

Follow by the way  
Accept the reality  
Why ???  
'Cause You're dead !!!

In her dark vestments  
By the shadows follow the way  
Searching for satisfy the impure desire

Her desire can bring the comfort
