"Never My Love"

You asked me if
There'll come a time
When I grow tired of you
(Never, never, never, my love)
Never, my love
(Never, never, never, my love)
Never, my love

You wonder if this heart of mine
Will lose it's desire for you
(Never, never, never, my love)
Never, my love
(Never, never, never, my love)
Never, my love

What makes you think love will end
When you know that my
Whole life depends on you (on you)

You say you fear
I'll change my mind
I won't require you
(Never, never, never, my love)
Never, my love
(Never, never, never, my love)
Never, my love

No, no, no
(Never, never, never, my love)
Never, my love
(Never, never, never, my love)
Never, my love

How can you think love will end
When I've asked you to spend
Your whole life with me (with me)
Your whole life with me (with me)
Spend your whole life with me
(With me)

You asked me if
There'll come a time

When I grow tired of you
(Never, never, never, my love)
No, never, my love
(Never, never, never, my love)
Never, my love

No, no, no
(Never, never, never, my love)
No, no
(Never, never, never, my love)
Never grow tired of you
(Never, never, never, my love)
Never, never, my love
(Never, never, never, my love)
Never, my love
