My name is Evil
It's beautiful name
I hold the world
Forever in my hands

Where night meets day
Pleasure becomes pain
Where life meets death
Know, I'm always there

I rule the strange land
Where only dreams dwell
My kingdom in past
Was called paradise

My name is Evil
It's beautiful name
I hold the world
Forever in my hands

I rule the strange land
Where only dreams dwell
My kingdom in past
Was called paradise

Don't be afraid
To come with me
The fear is only
In hearts of feeble men

I'll take you afar
The way leads among stars

Deep in limitless silence
You'll find lost dreams

I rule the strange land
Where only dreams dwell
My kingdom in past
Was called paradise

My name is Evil

It's beautiful name
I hold the world
Forever in my hands

I rule the strange land
Where only dreams dwell
My kingdom in past
Was called paradise

You'll never enjoy
If you leave this way
I know and you know
That we are the same

Look at the crimson sky
The falling stars are my sign
I speak by freezing wind
My face will be uncovered tonight
