[music by EVOL, lyrics by Prince of Agony]

Moon...is black tonight  
Silence...is mantling every sound  
Shadows...coming down the hills  
Fires...are burning in the clearing

...

Witches...are dancing...ghosts around the pot  
Crying...praying...summoning the Witchlord

"Witchlord, come to us, thine servants 'till the end.  
Possessed by Evil, we're trembling for thy strength".

...

Windblows...shaking the treetops  
Lightning...flashing through the (clear) sky  
Thunder...frightening men asleep  
Blackshapes...coming out the pot

...

Witches...are bowing...boneless before the dark smoke  
Weeping...shaking...summoning the Witchlord

"Witchlord, come to us, thine servants 'till the end.  
Possessed by Evil, we're trembling for thy strength"

...

A blaze of darkness from the Reign of Black strikes the  
pot in the middle  
Of the glade;  
A gust of smoke rising from the circle melts to poison  
as two horns appear;  
A voice of sickness from a goated helm fills the air with  
a mortal stench.

"Kneel, my servants, I heard your sick pleas, the time  
has come to fight

For your faith.  
EVOL, my Lord, send me to drive you, the storm of  
death we will bring on  
Earth.  
Thunder, Plague, Wind, Flood, come to my request,  
Father give me strength.  
Rise up  
Your weapons and follow my dark sword, children of  
darkness bow to the  
Witchlord".
