"Come On!"

Think! everything happens
Prohibitions have been brought down
Addiction is breaking you up
The rules of life are more and more confused
People are ruining, without any rules
What is evil now tomorrow is cool
Come on!
You can say no and show a little spirit!
Come on and go! come on and go!
Come on!
You can enjoy yourself with no limits!
But you know you can decide
Just don't lose in one second your life!
See! how everything changes
Dipendence and loneliness together break you up
Rules of values are always more confused
You lose your way, day by day
To follow a wrong image
" u tebja est' vibor, ne boisja skizat' NET!
You can say no! don't lose your mind!
Du schmeiss dein leben weg... aufweckst!
Svegliati... puoi dire di no! "
Come on! come on!
Come on and go!
You have the chance now to say: "no!"
Come on! come on!
But you know you can decide
Just don't lose in one second your life!
