(Christian)

Never knew I could feel like this
Like I've never seen the sky before
Want to vanish inside your kiss
Every day I love you more and more
Listen to my heart, can you hear it sing?
Telling me to give you everything
Seasons may change, winter to spring
But I love you until the end of time

Come what may, come what may
I will love you until my dying day

(Satine)

Suddenly the world seems such a perfect place
Suddenly it moves with such a perfect grace

(Christian and Satine)

Suddenly my life doesn't seem such a waste

(Satine)

It all revolves around you.

(Christian and Satine)

And there's no mountain too high
No river too wide
Sing out this song and I'll be there by your side
Storm clouds may gather and stars may collide
But I love you (I love you)
until the end of time

Come what may, come what may
I will love you until my dying day

Oh, come what may
Come what may
I will love you, I will love you

(Satine)

Suddenly the world seems such a perfect place.

(Christian and Satine)
Come what may, come what may
I will love you until my dying day
