Ewan McGregor:

I hear singing and there's no one there
I smell blossoms and the trees are bare
All day long I seem to walk on air
I wonder why
I wonder why
I keep tossing in my sleep at night
And what's more, I lost my appetite
Stars that used to twinkle in the skies
Are twinkling in my eyes
I wonder why

Jane Horrocks:

You don't need analyzing
It is not so surprising
That you feel very strange, but nice
Your heart goes pitter-patter
I know just what's the matter
'Cause I've been there once or twice
Put your head on my shoulder
You need someone who's older
A red dove with a velvet glove
There is nothing you can take
To relieve this pleasant ache
You're not sick!
You're just in love

instrumental

both verses are sung simultaneously

last two lines of each verse are repeated 3x
